# Talk to someone who understands.

If you or a family member has a gambling problem, consider us your support. When you call us at 1-800-BETS OFF or chat with someone at 1800BETSOFF.org, you'll be connected to local treatment options, including counseling. That means you won't have to go far to get the help you need.

E-therapy treatment options are available for people who live too far from a treatment agency or have transportation difficulties. The bottom line? We want to make it easy for you to reach someone, whether that's in person, by phone or by email.

## Learn about Iowa's Voluntary Self-Exclusion Programs.

Iowa's Voluntary Self-Exclusion Programs can be effective tools to address problem gambling. There are two distinct voluntary self-exclusion programs available. One through the Iowa Racing Commission (IRGC) Licensed casinos and the second through the Iowa Lottery. Both offer the same five-year\* or lifetime (irrevocable) options.

If you choose to be self-excluded from casino and/or lottery gaming in Iowa, you'll need to complete and sign the applicable voluntary self-exclusion form.

When you contact us, we can help walk you through the steps to completing and submitting an IRGC Licensed Casino and/or an Iowa Lottery voluntary self-exclusion form.

\*Note: Those who self-excluded prior to July 1, 2017, and have been on the list for at least 5 years, can petition to be removed from the list. After July 1, 2017, signing up for a lifetime self-exclusion remains irrevocable.
