BARBIE DOLL INTRODUCED IN HONOR OF U.S. OLYMPIC FENCER IBTIHAJ MUHAMMAD. From the [Washington Post](#): Mattel introduced a Barbie doll Monday inspired by U.S. Olympic fencer Ibtihaj Muhammad, and said it would go on sale next year. It will be the first Barbie doll to wear a hijab, and Muhammad described Mattel's honoring of her achievements as "very moving." The first athlete to wear a hijab while representing the United States at the Games, Muhammad also became the first Muslim American woman to win an Olympic medal, taking a bronze in team saber last year.
