KNOWN FOR: Marketing Displays

Digital Designs is a full-service large format printing company, specializing in larger than life digital prints, high-impact marketing and graphic design, trade show booths and displays, floor and vehicle graphics, display stands and backlit signage, as well as web design.

New Capabilities!

Digital Designs can now print straight to board with its new flatbed printer. UV ink is applied directly to a multitude of substrates such as foam board, metals, plastics, gator board, coroplast or even glass.
