While great taste is the goal, an unyielding focus on quality is the requirement.

AE is constantly challenging itself to be the best at dairying. All of its milk comes from Iowa family farms and is tested and retested (more times than you could imagine) for purity. All AE milk is free from antibiotics, pesticides and added growth hormones.

AE isn't the biggest dairy out there, but it doesn't want to be. It just wants you to be delighted. And it has lots of ideas and is already working on creating the next best thing. So thanks for inviting AE Dairy into your business. We promise to share our love of dairy with you.
