DAIRY

MIKE WORDEN | 515-265-2521 | mikew@aedairy.com

aedairy.com

While great taste is our goal, an unyielding focus on quality is our requirement. At AE Dairy we constantly challenge ourselves to be the best at dairying. All of our milk comes from family farms in Iowa and gets tested rigorously for purity. We don't accept milk from the farm with added hormones, antibiotics or pesticides.* All AE products are made in Des Moines so they're hours fresh for our customers' enjoyment.

We're not the biggest dairy out there, but we don't want to be. We just want our customers to be delighted. We think the possibilities are endless when it comes to dairy, and we're always working on creating the next best thing. So thanks for inviting AE Dairy to be a part of your business. We promise to share our love of dairy with you.

*The FDA has said no significant difference has been shown and no test can distinguish between milk from rBST-treated and untreated cows.
